Experience *The New Golden Age of Ocean Travel* as you board one of today's modern, sophisticated **Queens** and discover all the fabled romance and grandeur of a long-ago era. Beyond the enticing destinations you will visit, it is the Cunard experience that defines what makes our voyages unique:

Legendary

No other line offers the classic ocean liner experience, sailing on leisurely voyages that evoke long-held traditions of all that travel should be. You'll enjoy:

- Trademark British style and elegance, traditional standards and the legendary White Star Service which our guests have cherished for generations
- A heritage of over 170 years hosting worldly travellers on iconic journeys, including Transatlantic Crossings and World Voyages — sailings pioneered by Cunard

Elegant

- The grandest ships of their day — revered icons attracting a glamorous mix of guests
- Magnificent one-of-a-kind venues where celebration is always in order

- A world with an excitement all its own — from the stimulating conversation of like-minded fellow guests, to glittering on board events and world-class entertainment

This is *The New Golden Age of Ocean Travel*. Carrying you into each marvellous horizon are the breathtaking ocean liners of Cunard — combining British tradition with contemporary style and the most modern amenities. There's never been a better time to embrace the legacy of Cunard, boasting the youngest luxury fleet at sea.

THE MOST FAMOUS OCEAN LINERS IN THE WORLD

QUEEN MARY 2

Without question, **Queen Mary 2** is the grandest ocean liner at sea. In her, the royal lineage of nearly two centuries of Cunard ships continues in grand style. Defining her as a modern **Queen** are such exclusive features as the Veuve Clicquot Champagne Bar, the Canyon Ranch SpaClub and Illuminations — the only Planetarium afloat. Her regal accommodations range from Grand Duplexes in the Queens Grill to elegantly appointed Britannia staterooms.

QUEEN VICTORIA

Few ships can boast the same seamless blend of the ageless elegance and contemporary grace found on **Queen Victoria**. Exploring her expansive double- and triple-height public spaces and restaurants, you'll be reminded of a more genteel era. Then you'll discover her spectacular grand venues — the Royal Court Theatre with private boxes, a two-storey Library with spiral staircase and The Grills enclave — featuring an outdoor terrace, private lounge and al fresco dining in The Courtyard.

QUEEN ELIZABETH

The newest in a long line of regal ships, **Queen Elizabeth** is a worthy heir to the legacy of Cunard. Capturing the lore of her storied predecessor, the original **Queen Elizabeth** which launched in 1938, this is a vessel for a modern age — with new venues like the conservatory-style Garden Lounge and the Games Deck featuring classic English pastimes like croquet and lawn bowls, as well as returning favourites such as the Queens Room and Golden Lion pub.
