

## By Car

If you are joining your Cunard ship in Southampton and are travelling by car you will need to follow the signs for 'Docks A33' which will appear as you approach Southampton on either the M27 or the M3. On arrival into Southampton Docks proceed to Dock Gate 4 Queen Elizabeth II Terminal. Most of Cunard's voyages depart from Dock Gate 4 however on occasion when both ships are in Southampton this may differ so please check with reservations on 0845 071 0300 before you leave.

## By Rail

Southampton is easily accessible by rail with two stations: Southampton Central and Southampton Parkway (from Southampton Airport). The Queen Elizabeth II Terminal is just a short taxi ride from Southampton Central Station.
